Storage stability:	do not store at temperatures below 5°C or above 35°C

PROPERTIES

LIKER MX is suitable for very soft nappa leather, pelts for furrers, upholstery, clothing and footwear, in bovine, as well as goat/sheepskin and pigskin.

LIKER MX is an oil developed in order to be also able to lubricate in acid environments such as: pickling and special tanning for fur articles where these requirements are needed.

LIKER MX is a complete fatliquor, it gives lightness, a silky but not greasy feel therefore excellent buffing on the fleshy as well as grain side, these prerequisites also render it suitable for NUBUK articles.
